Fabric Specification

Composition	20% polyester, 72% PVC, and 8% acrylic.
Weave	Dual weaving process using Smart Yarn® technology
Visibility	5%
Width	2700mm
Weight	430g/m ²
Thickness	0.73mm

Cleaning and Care

Remove dust and surface dirt regularly with a soft brush, cloth, or by rinsing with clean water. Light, routine cleaning helps preserve both look and performance.

For deeper cleaning, use mild soap with lukewarm water and a soft sponge or cloth. Rinse thoroughly and allow to air dry. Avoid harsh chemicals, solvents, or abrasive tools.

7 years for internal applications

- Important notes:
- Warranties exceeding 5 years are subject to a step-down policy, meaning coverage may reduce over time.
- White fabrics are only covered for up to 5 years against discolouration, due to limited UV stabiliser usage in white dye formulations.
